

PARENT/TEACHER CONFERENCES

Mount Boucherie Secondary School teachers and administrators encourage on-going communication with parents whenever questions or concerns arise. Please contact the appropriate person at the school by phoning 250.870.5101 or by email (link to the staff directory - [Staff Directory](#)). Our teacher meet and greets events are usually scheduled at the beginning of each semester. Our Parent-Teacher Conferences generally occur half way through the first term of each semester. For specific dates and times please refer to our school calendar (link to school calendar - [School Calendar](#))
