INDIGENOUS CULTURE & LEADERSHIP 9 – 12

This course satisfies the "Elective" graduation requirement

Do you love making a difference in your school and community? Would you like to learn more about Indigenous culture and leadership opportunities? This course provides all youth (Indigenous and non-Indigenous) with exciting and engaging opportunities to learn and lead on the traditional territory of the Syilx people. In this course, students will explore what it means to be a leader within their personal lives, as well as within their local and global community. This is a mixed grade level course of students from grades 9 through 12. Students who take additional levels of this course will be expected to advance upon their skills and curricular competencies, and further develop their leadership skills. This course is part of the Academy of Indigenous Studies.

STUDENT LEADERSHIP 9 – 12

This course satisfies the "Elective" graduation requirement

Help to make MBSS a fun and exciting place! In this course, students will learn how to plan, promote, & lead school events and activities, as they work with a team of leaders to build school spirit. Students will also develop individual character & leadership skills that will help make their school, community, and world a better place. In this class, students will learn more about what it means to be a responsible, kind, respectful, inclusive leader, committed to make a positive difference. They will also learn how to be more creative, how to find solutions to school wide issues, how to use their strengths to work with other people,

how to organize, communicate, and promote events and causes, & how to create fun and excitement in our school. In order to make all of this learning possible, students will be expected to volunteer at lunch-time, after school, or during breaks to help with school events, and to be ready to have fun while you learn lifelong leadership skills. This is a mixed grade level course of students from grades 9 through 12. Students who take additional levels of this course will be expected to advance upon their skills and curricular competencies, & further develop their leadership skills.

PEER TUTORING 11/12

This course satisfies the "Elective" graduation requirement

This course is designed for students who wish to help younger students or ELL students at our school by providing support in a classroom and by assisting the teacher with preparation of learning resources and classroom activities. Students interested in peer tutoring must have successfully completed related courses and/or be able to provide evidence of an expertise or passion in the subject area requested. Peer tutors must have a strong work ethic, be an independent worker, and have the ability to work well with others. Students who indicate an interest in this course must complete an application form. Applications are due immediately after requesting this course.
