### 1. Reports:

#### **Treasurer's report:**

- The General account balance is \$541.91 and the Gaming account is at a balance of \$8614.97. A payout of \$5000 towards school uniforms still needs to be made which will leave a balance of \$3,644 in the account.
- The PST rebates for 2019 & 2020 in the amount of \$1,845.95 are not in yet.
- Of the approximately \$28,000 in funds allocated by the PAC this year, about \$2,200 was not spent as library furniture was less than expected. We are waiting to see if there are any other funds that will be returned to us because of cancellations due to Covid-19.
- A year end summary will be done in the Fall.

#### **Principal's report:**

- The 2020 Grad stage crossing went very well.
- A Virtual Grad Ceremony will take place June 26<sup>th</sup> at 6pm on YouTube.
- "A 2020 Grad Lives Here" signs are on lawns around West Kelowna.
- The Indigenous Grad was very personalized, students were able to bring friends as well as family.
- Report cards will be mailed out.
- SD23 is waiting on a decision from the Province with respect to school in September and what that will look like. Stage 1 would be full time attendance. There is a possibility that BC could be treated differently if they look at the number of cases in each province separately.
- Thirteen f/t new hires – ASL, Math, English, Hair Academy. Hiring 3 f/t & 2 p/t teachers for the Indigenous Academy.

#### **Other business:**

- BCCPAC membership fees due – it was agreed that we should pay them for 2021. Susan & Laura attended the virtual AGM so we should be receiving a refund of our 2020 fees.
- COBBS – need to look into how it will work next year. The PAC gave funding to the school and they were able to put the money towards 10 \$500 bursaries.
- Our Constitution & Bylaws from 2003 need updating – we will revisit them in Oct/Nov.

**Our next meeting will be on Monday September 28th at 6:30pm in the library. We are looking for new PAC Members!**
