Peer Tutoring for Students!

Room 013 at lunch, Tuesdays and Thursdays
Get help for any subject!

Students are not permitted to order food (Door Dash, Dominos, SkiptheDishes, etc.) to the school as it often arrives during class time and disrupts learning. A parent/guardian may choose to deliver or drop off food for their child to be picked up in the office at lunchtime.

As an alternative, MBSS has food options available for students to purchase such as our **School Store "The Cave"** and our **Global Village Café** which offer a variety of food and beverage items – and are open during morning/afternoon breaks and during lunchtime. Also available is our **Breakfast Program** which operates every morning from 7:45 am to 8:45 am in the MPR.

Do not miss school unless you are sick!

If you are absent, please contact your teacher by email to find out what you need to do. You **MUST** do this work at home!

Student Parking Areas - Students must have a MBSS Student Parking Pass registered with MBSS and can only park in Student Parking areas:

1. Student parking area by the gym
2. Along the fence line towards Pickleball courts (student designated area only, not visitors area)
3. The dirt lot past Jim Lind Arena.

All students with motorized transportation including EBikes, EScooters and Motorbikes must register their mode of transport with the school.

Students may not park in Staff Assigned Spaces, in Visitor Parking, or in the back of the school. Students who park in areas other than ones designated for student parking may be towed.

Students are reminded to be careful when walking to and from school, especially on Riffington Place. Please use the sidewalk and do not walk down the middle of the road. We have had a few close calls and we want to keep everyone safe!

To our MBSS Community – Student Pick Up and Drop Off:

For student safety, if you are picking up your child, please arrange for pickup from an alternate location to ease traffic congestion. **Also, please note that the sidewalk area, beside the portables, is reserved for SCHOOL BUS PICKUP & DROP OFF ONLY!** Here are 3 suggested areas to pick up or drop off students:

1. Royal Lepage/Jim Lind Arena
2. Riffington Place
3. Boucherie Ball Fields (along East Boundary Road)

Reminder to be respectful of our neighboring strata developments and others in the community (ie. not parking in designated handicap spots, etc). Thank you in advance for your cooperation.

Subject: Public Health Nurse Wellness Clinics in the School Settings

To students & their parents, guardians, or representatives:

As part of Interior Health (IH) - Central Okanagan's efforts to provide access to public health nursing (PHN) support and services, IH has been offering in-school PHN Wellness Clinics for all grades and clinics will continue until the end of the school year.

At the Wellness Clinics in the school, Public Health Nurses will be available to talk with students and answer any questions about public health nursing services, such as health and wellness promotion/disease prevention information, and resources. This is also a great opportunity for senior high school students to meet with a public health nurse to assess their immunization history and ensure they have all the necessary vaccinations before they graduate. Some post-secondary schools/training programs require immunization history prior to starting the program.

Additionally, based on information gleaned from the most recent 2023 McCreary Adolescent Survey indicating a growing concern from students regarding a variety of health-related topics, these in-school clinics will offer improved access for students to reach out to a health professional.

Checking immunization status:

Students and parents/guardians are encouraged to review their own immunization status. HealthGateway provides secure access to health records, including immunizations. Please visit:

<https://www.healthgateway.gov.bc.ca/>

COVID-19 or Influenza vaccines will not be offered or provided at these Wellness Clinics.

Mount Boucherie Secondary School, Mr. Cartwright and public health have identified the following days and times for PHN Wellness Clinics:

Thursdays from 11:45-1:00

If you have any questions, please contact Sharie Schwab; West Kelowna Health Unit; 250-980-5160

Thank you,
Sharie Schwab, RN, BScN

Together We Learn

Central Okanagan Public Schools

is pleased to offer the "School Bus Stop" which is located on our website at www.sd23.bc.ca

School Bus Stop

Parents, students and schools can now sign up to receive email or text alerts when the school bus route is delayed.

To register for alerts and to view a complete list of bus routes displaying the current status, select the school bus icon on our website at www.sd23.bc.ca or go to the site directly at <https://schoolbusstop.sd23.bc.ca>

Our first priority is the safety and well-being of our students. Due to the varied reasons our school bus routes may be delayed or in extreme situations, cancelled, it is not practical for drivers or staff to personally phone all those affected. Safety is everyone's responsibility and we must all be diligent when staying up to date on the status of our school bus routes.

All school bus route cancellations and delays in excess of 10 minutes will be posted on the "School Bus Stop"

If you have signed up for the alerts, upon posting the delay, you will receive an email or text with the route delay, length of delay and reason for the delay. You could also expect to see general alerts when weather conditions or an emergent situation arises regarding the bus route.
