STUDENT PARKING & STUDENT PICKUP

Students are reminded to be careful when walking to and from school, especially on Riffington Place. Please use the sidewalk and do not walk down the middle of the road.

To our MBSS Community – Student Pick Up and Drop Off:

For student safety, if you are picking up your child, please arrange for pickup from an alternate location to ease traffic congestion. Also, please note that the sidewalk area, beside the portables, **is reserved for SCHOOL BUS PICKUP & DROP OFF ONLY!** Here are 3 suggested areas to pick up or drop off students:

1. Royal Lepage/Jim Lind Arena
2. Riffington Place
3. Boucherie Ball Fields (along East Boundary Road)

Reminder to be respectful of our neighboring strata developments and others in the community (ie. Not parking in designated handicap spots, etc). Thank you in advance for your cooperation.

MOUNT BOUCHERIE SECONDARY SCHOOL

When you walk through the door you are a bear who is a valued part of our school community.

BELONGING
We belong here as bears who have opportunities for connection in classrooms, hallways, and in school communities.

EMPATHY
We build an understanding and sensitivity towards other bears by learning how to think beyond ourselves and recognize different perspectives and ways of knowing.

ACHIEVEMENT
We are each accountable for our own learning and growth by putting our best paw forward.

RESILIENCY
We can each accept and embrace everyday challenges to help learn from personal struggles and mistakes.

SAFETY
Each of us is a member of this community and plays a role in supporting others to experience safety and security.

Mission Statement

We will do what we can to educate and support our students in realizing their unique and full potential, and in living purposeful lives.

GO ENG GIRL: ENVIRONMENTAL ENGINEERING

JOIN US FOR AN ALL-GIRLS* EVENT AT UBC OKANAGAN

Environmental Engineering is shaping the future of our planet. Engineers use creativity, science, and technology to design innovative solutions for a more sustainable world - including the places and experiences we love.

Join us at UBC Okanagan as we explore the environmental footprint of music festivals and take on a design challenge to create a more sustainable festival of your own. Time to dream big!

- Get an inside look at an engineering degree and university life
- Connect with female engineering students and mentors to hear about their experiences
- Take part in interactive activities that highlight real engineering challenges and innovative solutions
- Explore how engineering is shaping a more sustainable future

Join us for a day designed to build confidence, spark curiosity, and grow female representation in STEM.

What to register? Space is limited - talk to your career centre today to secure your spot! Deadline to apply is **November 17th**.

*We have an inclusive view of the word "girl" and welcome trans, genderqueer, and non-binary participants.

Interior Health

Subject: Public Health Nurse Wellness Clinics in School Settings for Grade 9, 10, 11, and 12 Students

To students & their parents, guardians, or representatives:

As part of Interior Health (IH) - Central Okanagan's efforts to provide access to public health nursing (PHN) support and services, IH has been offering in-school PHN Wellness Clinics for grade 10, 11, and 12 students and these clinics will continue until the end of the school year.

At the Wellness Clinics in the school, Public Health Nurses will be available to talk with students and answer any questions about public health nursing services, such as health and wellness promotion/disease prevention information, and resources. This is also a great opportunity for senior high school students to meet with a public health nurse to assess their immunization history and ensure they have all the necessary vaccinations before they graduate. Some post-secondary schools/training programs require immunization history prior to starting the program.

Additionally, based on information gleaned from the recent 2023 McCreary Adolescent Survey indicating a growing concern from students regarding a variety of health-related topics, these in-school clinics will offer improved access for students to reach out to a health professional.

Checking immunization status:

Students and parents/guardians are encouraged to review their own immunization status. HealthGateway provides secure access to health records, including immunizations. Please visit:

https://www.healthgateway.gov.bc.ca/

COVID-19 or Influenza vaccines will not be offered or provided at these Wellness Clinics.

Mount Boucherie Secondary School and their public health nurse have identified the following days and times for PHN Wellness Clinics:

Every second Tuesday starting on October 6th, 2026, from 10:00AM – 12:30PM

If you have any questions, please contact Sharie Schwab – 250-980-5150

Thank you,

Sharie Schwab
